Comments comments 16/03/2020 I hope to get a response so I can use the template here vrijwijging: With all due respect, I have to say that we (the Elden Ring staff) released our games very short in time and have currently very little free time to improve and work on the game. This is also true for the normal launch of a game. I hope that it works out, but I am really quite pessimistic. 16/03/2020 I do not know what I can say. I hope everything will work out and that I can continue to work on the game.

nst: Hi, it is possible to use the template, it is not just for reviews. Please send us a mail to eldenringgame@gmail.com and we can assist you. vrijwijging: I think you misunderstood me, it does not really matter

if someone else will create a better and more polished template to review the game. I just wanted to create a review template to enable Elden Ring to create their own reviews without having to wait for the start of the game and start thinking about how I would want to talk about the game. If it does not work out, at least I gave it a try. 16/03/2020 Thank you! hitso: Really good game. I'm happy to support you. I hope your game is good! 16/03/2020 It's really, really good. Like, really great game. It's great so far. 16/03/2020 I wish I had a better computer to use the game. Sadly I'm still stuck with my old computer, and can't really play the game on it. vrijwijging: Thank you very much! 16/03/2020 It's really awesome, and I think you have succeeded in creating a good game. 16 bff6bb2d33
