

Rise as an unwavering knight, Tarnished as an unfallen elf, and be guided by Grace as an Elden Lord! Nexus of Fate, a newly released fantasy action RPG developed by Sandwalker Studio, is a new fantasy world with open spaces, massive dungeons, and deep story. As one of the three races born from the Nexus, you will witness the fate of your world. Strive to protect the Lands Between with your sword as a knight, become an immortal elf by embracing the life of the forest, and become an Elden Lord by opening the land to the legendary Elden Ring. [STORY] The Lands Between The Lands Between is a vast land where the three races (knight, elf, and Elden Lord) coexist. The death of the Nexus brought on the demise of both the human and elf worlds. A mysterious “Ring” appeared in the Lands Between, and a remnant of the “Elden” appeared as well. In order to restore the harmony of the world, the three races are in a conflict. You have chosen to side with one of the races, and become a knight, elf, or Elden Lord. In the Lands Between, the three races will try to establish a new world. What awaits the three races lies ahead. [STORY] The Three Races The three races that “coexist” in the Lands Between. Knight: “A new world with open spaces, magnificent landscapes, and vast treasures. There are countless enemies in front of you. Fierce and fearless, the knights are the bravest in battle.” Elden Lord: “In order to deliver the true Elden Ring to the nexus of fate, the legendary Elden Ring will be restored. Strive to restore the three races of the Lands Between.” Elf: “The Elves are beings that dwell in the forest, and are the natural protectors of the land. The Elves are always on the watch.” As a Knight, Elden Lord, or Elf, you can freely switch between the races and customize your character and weapons. Every time you play the game, you will meet different enemies, and encounter a new story that only you can complete. [RPG] A One of a Kind RPG
