A fantasy action RPG based on the new fantasy novel series Tarnished by 'Ikeda Aya' The story of a young man named Tarn and his companions who travel to the Lands Between to rescue a princess who was kidnapped years ago. You can kill monsters with your companions, or fight your way through the enemies alone. You can customize your character, and equip weapons, armor, and magic. The main feature of the game is the freedom of action. Even in PvP (player vs player), you can strategically attack your opponent with a variety of different elements. The game's spectacular battle system is similar to that of the OPUS OPUS gameplay action RPG series of Ikeda Aya. In addition, there are also numerous online elements, with which you can stay in contact with others while playing the game, and can feel the presence of others who are also playing online. A freedom of action RPG that allows for various styles of play. A story in which a variety of thoughts from the main character Tarn, a young man who travels to the Lands Between to resolve a matter of justice, intersect. A story that tells you who the main character really is. The main feature is the freedom of action, in which you can employ a wide variety of classes and elements in order to fight the monsters. In addition, the music and graphics, and the "vast world" filled with a variety of situations, also contribute to the game's appeal. A fantasy action RPG with a high sense of emotion. This is Ikeda Aya's first book-series debut, but it is also a debut of 'OPUS OPUS,' the first action RPG game of Ikeda Aya. Ports for all platforms (PC, Android, iOS) is currently in development. For more information on the game, please visit: ■ OPUS OPUS The story of a young man named Tarn, and his companions who travel to the Lands Between to rescue a princess who was kidnapped years ago. ▼ OVERVIEW In the game, the main story revolves around the battle between the forces of light and dark. You are a Tarnished Lord, at the head of a party that travels across the Lands Between. The Lands Between are ancient lands that were once the battlefield of the Great War between the Light and the Dark. Several thousand years later, a new war has begun, one that threatens to cause the end of the Lands Between. However, to end this, it is necessary to unite the forces of light and dark. Please download the game and experience the Lands Between in a new way with the Elden Ring; ▷ A Game that Revolves around the Concept of Absorbing the Environment to Put out Flames (Enlightenment) Instead of simply defeating monsters, you fight against the player 'swarms' that become completely enveloped in flames. 'Flames' are energy that represents the light and the darkness. When a Tarnished Lord is surrounded by 'Flames', their true potential can be unlocked. By 'absorbing' the environment, you can absorb the power of 'Flames' and unleash them in both your own and your allies' hands. ▷ An Action RPG that Features a Different System Than Normal RPGs ◆ Action RPG Story of an Elden Lord ◆ Become a Tarnished Lord to Fight in a Multiplayer War ◆ Unique Fantasy Action RPG That Allows You to Combine Various Weapons and Armor in an Online Play Setting ◆ The Loveable Character Design of the Elden Ring ◆ A Story About the Lands Between in Character Form ◆ ENLIGHTENMENT ◆ Description The Main Story of the Action RPG · Step into a completely different role as a Tarnished Lord at the head of an army of a multitude of heroes. · Defend the Lands Between by absorbing the light and the darkness with your allies in a group. · Once your party has defeated the enemy of the Lands Between, rise to become an Elden Lord in an online setting. · Become an Elden Lord who traverses the lands between and leads your own group. ◆ The Tarnished Lord In a story of an Elden Lord, you'll try to gain enlightenment while traversing the lands between. With the
