The ultimate mode for FUT introduces FUT Draft, a revolutionary new way to customise your team in FIFA 22. As a manager, you can draft players and kits from the FIFA International Series, and put the best team on the pitch by the end of the match. As a player, you can select your best-performing, customisable FUT player to battle against other players from all over the world and compete for the best rewards in the FUT Champions League. In addition to the many hours of gameplay and the improved handling of the Customisation Panel, and the addition of FUT Draft, FUT has received a number of new features like the all-new Transfer Market, targeting one of the most-used and often criticized modes, due to the on-pitch performance – the Value Over Replacement Player (VORP). With a new 'Formation Editor' feature, which allows players to alter the formation of their team in-game, FUT has now become that much more intuitive and fun than ever before. FIFA Mobile* – Take on the role of Club Legends and hone your ability to build and manage your dream team. Master new skills, take on new challenges, and find out if you are truly the football manager of your dreams! In-game purchases optional. Additional game features may be disabled if you do not purchase the applicable game features. *Additional game features required to play ABILITY TO ACCESS DIGITAL CONTENT FIFA® 19 allows users to login and play through their profile on all devices registered to the same user on the console, PC and mobile platforms.
