What's new in Love In The Limelight - Wallpapers:

12 Launched in July, 2013 This theme/look has only 1 article. Love in the Limelight presents a lot of variety, including: Another Summer Party. The fun-loving Gloxi girl has sweet dreams of finding the love of her dreams. She sees a man at the beach, and we see that he is truly smitten as he stares at her with his eyes. This is what brings our Gloxi girl out of the clothing she has on. Her grace, beauty, and sky-blue diamonds bring new meaning to the words 'love at first site'. We like that! Watermelon Party! The Gloxi girl has a double scoop (see what we did there?). Watermelon's are ripe and juicy, and no one needs to dig up the melons with a shovel. She is playing with a Watermelon. We like that. The Gloxi girl will be wearing a lovely Summer dress and pairs of Gloxi sky-blue wedges. She'll also be wearing the colorful Bobbi Jumper from House of Nudity, striped shorts that can be seen at the end of this article, and a pair of loafers. Love in the Limelight includes 1:16 scale versions of the 18 inch Gloxi Girl. Carolina, Cuntly Rae & Ariel At Last! We have a first-time model for Love in the Limelight. Her name is Carolina, she is a lovely 25-year-old blonde woman, and she's modeling for the first time. She exudes star quality, and she'll bring incredible excitement to the collection. Carolina fits nicely in the middle of the Love in the Limelight mold, so she will be available at 2 different scales. She is 21 inches tall, and the 1:16 version is only 6 inches tall, and shows Carolina without her hair being bundled and stuffed in a ponytail. So you get lovely full lips, and possibly one of the most kissable lips in the collection! And she reminds of us Ariel from the Little Mermaid. See the photo below and see if you can tell why! Miss Polly Polly's is a little package, 19 inches tall, and we release her too. She's a unique looking person. She has lovely skin tone, and blonde hair that she frees up to her shoulders, the most important part of this photo. We liked that she dressed in
