windows ce.Napoleon's family and the honor
of his "Great Name" after the Emperor
Napoleon Bonaparte death, in exile on the
remote island of Saint Helena, in the South
Atlantic, after the fall of the French Empire in
1815. The island of St. Helena, chosen for the
exile of Napoleon because it was excluded

from all major European ports, did not have a sufficient number of Islanders to fend for themselves. Napoleon left the country in 1799, during his preparations to invade Egypt, but returned in 1804, taking the throne. His return was viewed by the British as a threat, and Napoleon eventually was driven from the throne. Napoleon was captured in 1815, and transferred to the remote island of St. Helena to await an outcome. He spent the rest of his life as an exiled
