Daft Logic Arrow Mouse Reviews: * (1) There are no comments for this software yet. Be the first to leave a review by rating this software.Bedford Park Bedford Park is a historic residential street in the West End of Ottawa, Ontario, Canada. The street is west of the Rideau River and the Queensway (Highway 417), and just south of Smith Falls Road. The street is one block east of Clappison Avenue. Neighbourhoods Neighbourhoods along Bedford Park include: Cedarhill Eastview Fairlawn Sawridge Southview Westpoint History The

street was developed from the 1930s to the 1960s. The area now occupied by Cedarhill was the campus of Carleton University and the home of the United Church. The southern section of Bedford Park was home to artists and merchants, including the local florists. Eastview and Sawridge were also residential. Neighbourhoods began to undergo renovation and gentrification as the 1980s came to an end. At one point, the street was referred to as "Canada's most exclusive street." Residents The Homes on Bedford Park are on the market from $2.5 million to $7.5 million. Bedford Park has been a longtime home to major Canadians including: Arthur Rattray, creator of Sesame Street References
