I can't even watch the news without feelings of rage, I'm upset by the thought that people are killed every day in the world and they don't get to come home to their families. Sometimes, I cry myself to sleep. The more I try to let myself feel, the more I feel trapped. It's probably a good thing that all the girls I've ever liked have turned out to be bad news. It serves me right, right? Right here I go with another rant...working with "mangles" is hell! Read these for the inspiration of what sometimes goes on around me. If I**
