## TMS Component Pack 9.0.2.0 Full Source ##HOT##

A lot of people are helping us with this release, I thank them all for their help. Without their help, this product wouldn't have been possible. Many thanks go out to; Zakir Bhai @ www.tms-component.com +01-1375494581, You should find this product in your "Releases" and in the "Products" section. We would be delighted to hear any comments and praise for this product. Warning: This product is not supported and will not be supported any more by the developers. The developers provide it for all who would like to use it, but will not be responsible for it. I am currently the only maintainer of this product, so I will not be able to help with any problems with it. Developers: The developers of this product have setup the website. If you want to create a new version then you need to contact them to do so. Developers: You need to contact Zakir Bhai @ www.tms-component.com +01-1375494581 to find out how to create a new version of the TMS Component Pack. Designers: You need to contact Akim on www.akim.org +1 425-375-1348 to get access to the Pro version. Thanks everyone for contributing to TMS Component Pack.
