Character Clothing Customization To create a character, the player must select one of three classes. Classes differ only in appearance. In addition to choosing a character, you can choose a class that will be available to the player when using weapons. Each of the classes has its own store of clothing (clothes, accessories and weapons) and armor (weapons, armor and melee weapons). There are two types of clothes to choose from in the game. You can use one outfit from your inventory, or buy and wear it using the in-game shop.
